CALL FOR PAPERS

Original and unpublished research papers are invited for presentation at ICISIC - 2026

The suggested topics include the following areas:

- Artificial Intelligence and Intelligent Systems
- Data Science and Big Data Analytics
- Internet of Things (IoT)
- Machine Learning and Deep Learning
- Cloud and Edge Computing
- Cyber Security and Network Security
- Blockchain Technology
- Natural Language Processing
- Computer Vision and Image Processing
- Robotics and Automation
- Smart Cities and Smart Healthcare Systems
- Green Computing and Sustainable Technologies
- Data Mining and Knowledge Discovery
- Human–Computer Interaction
- Augmented Reality and Virtual Reality

CONFERENCE PROCEEDINGS AND JOURNAL PUBLICATIONS

All accepted papers, after peer review, will be published in the Conference Proceedings with an ISBN number. After the conference, selected high-quality papers may be considered for publication in ICTACT Journals. These journals are international publications of ICT Academy. Final publication will be based on a separate peer-review process by ICT Academy. Authors of selected papers will be notified separately and required to follow the submission guidelines of ICTACT Journals for further review and publication.

SUBMISSION OF ABSTRACT

(Content of Abstract not exceeding 500 words)
Paper Title, Author(s) Name, Affiliation, Email ID Paragraph 12-point Times New Roman font 1.5 Line Spacing.
Submit to: **icisic2026@gmail.com**

IMPORTANT DATES

Submission of Abstract: **16.03.2026, 5:00 pm**
Notification of Acceptance: **18.03.2026**
Registration: on or before **20.03.2026, 5:00 pm**
Submission of Extended Abstract/
Full Research Paper: **21.03.2026**

Registration for ICISIC - 2026 package that suits! Student, Research Scholar, Faculty, Professionals in relevant fields can choose a suitable package

Participation Only - Rs. 250/-

Paper Presentation and Publication of Research Work in ICISIC Conference Proceedings with **ISBN [978-93-5777]** - Rs. 750/-

REGISTRATION & PAYMENT DETAILS

Scan to Register   **Scan to Pay**

Register and pay on or before 21.03.2026

Gpay to: 9444079310

We have limited slots, so hurry up to register through:
(Click here) https://forms.gle/QoEpR5fwmjZsRBjv6
or
QR code

Conference Kit & Lunch will be provided.

For any queries, kindly contact

Government Arts and Science College Perumbakkam, Chennai - 131

ICISIC - 2026

International Conference on Intelligent Systems and Innovative Computing (Hybrid)

PG Department of Computer Science
&
Department of Computer Applications
in
Association with ICT Academy

March 23, 2026, 9:30 am Onwards

Venue: Kalaignar Auditorium, GASCP

ABOUT THE COLLEGE

The State of Tamil Nadu is leading in the Higher Education sector. In order to provide higher education to all stake holders with inclusivity and equity, Government Arts and Science College, Perumbakkam was established in 2016 to provide higher education to underprivileged communities. It started with 5 UG programmes and has grown to 9 UG and 4 PG programmes catering to the need around 1500 students, continuing its mission of empowering first-generation learners through inclusive and transformative education.

ABOUT THE DEPARTMENT

The Department of Computer Science, established in 2017, and the Department of Computer Applications (BCA), established in 2018, are affiliated with the University of Madras. The departments offer B.Sc. Computer Science and BCA programs aimed at empowering economically poor students with the skills required for the digital era. The curriculum integrates hardware, software, and application-oriented courses and is regularly updated to keep pace with technological advancements. The department is supported by modern laboratories, strong infrastructure, and highly qualified faculty members. It also provides placement assistance to graduating students. Further expanding its academic offerings, the M.Sc. Computer Science program was introduced from the academic year 2024–2025.

VISION

To be a center of excellence in Computer Science education and research, fostering innovation, ethical values, and technological advancement to empower students to meet global challenges and contribute to societal development.

MISSION

- To prepare students for higher studies, research, and careers in the IT industry.
- To create opportunities for industry interaction, internships, and technical projects.
- To encourage students to innovate and create software solutions for real-world problems.
- To provide strong theoretical and practical knowledge in Computer Science and programming.

PATRON

Dr. A. Uma Maheswari, Principal,
GASC, Perumbakkam

CONVENORS

Prof. P. Malaiarasu, Associate Professor,
Head, PG Department of Computer Science
Prof.A.Rabeek Ansari, Assistant Professor,
Head, Department of Computer Applications
GASC, Perumbakkam.

ORGANISING SECRETARIES

Dr. S.Sasikala, Associate Professor
Dr.Hebsibah Paulin, Assistant Professor

ORGANISING COMMITTEE

Dr. J.SenthilKumar, Assistant Professor
Dr.J.Jayaganesh, Assistant Professor
Dr.S.Venkatesh, Assistant Professor
Dr.S.Kaliswaran, Assistant Professor
Ms. K. Arulmozhi, Asst. Programmer
Dr.Mu.Annalakshmi, Guest Lecturer
Dr.R.Karthikeyan, Guest Lecturer
Dr.S.PrakashKumar, Guest Lecturer
Dr.G.Bharathidasan, Guest Lecturer
Dr.C.Babyshamly, Guest Lecturer

OBJECTIVES OF THE CONFERENCE

The objective of the conference is to provide a dynamic platform for researchers, academicians, industry experts, and students to share their knowledge, research findings, and innovative ideas in the field of Intelligent Computing and Innovative Computing. The conference aims to promote collaboration between academia and industry, encourage interdisciplinary research, and facilitate discussions on recent advancements, challenges, and future directions in areas such as Artificial Intelligence, Machine Learning, Data Science, and innovative computing systems. It also seeks to inspire young researchers and scholars to contribute to technological development and explore solutions to real-world problems through advanced computing techniques.

Our keynote speakers

Dr. R. Sagaya Milton
B.E. (Hons),M.E., Ph.D
Professor,
Department of Computer Science & Engineering,
SSN College of Engineering, Chennai

Topic: Agentic Engineering

Mr. Vasanth Mohan
SAP Manager | IT Leader | Technology Specialist
Deloitte Consulting
Livermore,
California,
United States.

Topic: AI, Intelligent Systems and Innovation

Dr. P. Rajesh,
M.C.A., M.Phil., Ph.D.
Assistant Professor
PG Department of Computer Science,
Government Arts college,
B.Mutlur,
Chidambaram

Topic: Exploring Data Analysis and Prediction through Machine Learning Models

Dr. Rajasekaran Selvaraju
Professor,
Department of Computing and Information Sciences,
College of Computing and Information Sciences,
University of Technology and Applied Sciences,
Ibri, Al Dhahira,
Sultanate of Oman

Topic: Machine Learning Techniques an overview
